Please note: Division 5 & 6 Handicaps are slightly different than what was presented at awards. The team rankings did not change. Our program is designed to not allow negative handicaps (which one of the pacesetters would have gotten) So the pacesetter it picked wasn't the best for the majority of the racers. We over road the program and picked pacesetters that are a better par for the field. These are the handicaps that will be sent in to NASTAR. We apologize that this happened and sometimes we just don't have time to analyze everything at the hill.
