Print this certificate and fill it out. Turn in at the Ski Challenge Registration Table at any league event. You must register with the Ski Challenge staff and fill out a waiver. If you are under 18 years of age, you will need a parent/guardian signature on a waiver prior to participating. You may download a waiver on our website under "registration".

Once you check in, hand in certificate and fill out waiver, you will be given a bib number and instructed what to do at the race.
